**North Texas Giving Day:
Fort Worth Japanese Society**
TODAY - Tuesday, May 5
6:00 am - midnight

Our friends at the Fort Worth Japanese Society rely on events to generate revenue to support our common mission to foster US-Japan friendship and support. Public health measures caused several of their revenue-generating events to be canceled. In order to cover this gap in their budget, they need to raise \$10,000. These funds will help them continue to provide educational programming, exchange scholarships, and cover the costs of the Yamagata Center.

Individual/Family Membership Update

In order to provide the best possible service to our members, we will institute a small increase to two of our membership levels. Soon we will release digital

membership cards and added incentives for being members of the Japan-America Society of Dallas/Fort Worth. Starting June 1, 2020, **the student/educator level will increase to \$30 per year and the individual/family level will increase to \$45 per year.** Prices for all other membership levels will remain the same.
