What is Japan Bowl?

Japan Bowl is an annual knowledge competition held at both the regional and national level. Teams of high school students from New York to Guam compete as they put their study of Japanese language, culture, history, geography, politics, and more to the test. The winning team from each regional competition will continue on to compete at the National Japan Bowl held in Washington D.C. every April.

Why support Japan Bowl?

In a 2021 survey of the National Japan Bowl students, 98% of students intend to continue studying Japanese in College, and nearly 90% want to study abroad in Japan. Many cite their participation in their Regional Japan Bowls as inspiration for them to continue pursuing their study of Japan and its language.

How do you participate in the...

NORTH TEXAS JAPAN BOWL

Students
you and two of your friends can form a team, study after school, and with the help of a sponsor teacher, enter the Japan Bowl Competition! You will need your own transportation to UTD and a sponsoring teacher to participate.

Educators
Do you have students who want to participate? Visit the JASDFW website for instructions on how to enter your school's team. You can enter more than one team of three! You will must be present at the competition for your students.

Parents
Cheer your students on! Help them study, or come and support them as they compete. You may also volunteer to help make sure everything that day runs smoothly.

Community
Donate to JASDFW to help us buy prizes for 1st, 2nd, and 3rd place teams. Volunteer your time to help the event run smoothly. Are you a native speaker of Japanese, we need your help to be a Proctor or Judge!
Launching the First Ever North Texas Japan Bowl is not without its challenges. One way you can help support this inaugural event is by coming alongside us to support our student teams with a financial contribution.
